2. Committee Group Review and Deliberation of 2017-18 SSF Supplemental Funding Proposals.
 - i. The committee reviewed, as a group, the proposals that were ranked highest by the subcommittees. They further discussed these, deliberated, and voted on if the proposals should be kept in consideration for funding.

3. Student Life and Leadership Student Services Fee Proposal Discussion
 - i. Rameen Talesh, Assistant Vice Chancellor of Student Life and Leadership, and a few student representatives joined the meeting to answer questions that the committee has on the Latinx funding proposal.
 - ii. The proposal requests funding to create a director level position (MSP I) to oversee the Latinx resource center.
 - iii. AVC Talesh will try to match any funding provided. Being a new center, any initial funding would help gain support/traction on campus for the Latinx Center. If position funding is approved, he will allocate funds from his budget for operating funds.
