3. Review Proposals
 - a. Request #25 – Counseling Center Therapy Assisted Online (TAO)
 - i. Discussion:
 1. Sanjanaa informed that this request should be taken off of the list of budget requests. UCOP is considering an injection of funding and may also be funded by USHIP reserves.
 - b. Request #1 – UCDC Housing Stipends
 - i. Discussion:
 1. Auzzsa clarified Fernando Gonzalez stated that there are no GPA requirements for the UCDC housing stipends as long as students are admitted to the UCDC program; therefore, there are no barriers for students to apply for the stipend.
 2. Karen clarified that the stipend is need-based rather than merit-based.
 3. Auzzsa clarified that there are GPA minimums for the overall program and that the committee should keep that in mind when evaluating the proposals.
 - c. Request #2 – PAA Wage Increases
 - i. Discussion:
 1. Travis expressed an interest in funding the additional dollar in hopes of better training for staff and preventing layoffs or reduction in hours.
 2. Karen to follow up with Peer Academic Advising if the funding of the extra dollar will affect the hours of the employees.
 3. Connor believes extra funding for the department does not represent purpose of SFAC.
 4. Karen clarified that Peer Academic Advising is partially funded by student fee services already.

4. 5/3/19 SFAC Meeting
 - a. Auzzsa will not be at next Friday's meeting, but the budget proposal discussion should continue. Auzzsa may call in.
5. Meeting adjourned.
