1. Meeting called to order.

2. Motion to approve the agenda. No objections. Agenda approved.

3. Motion to approve the minutes from the 4/09/2021 meeting. No objections. Minutes approved.

4. Follow-up from past CSF meeting: Not clear on when Regents review of cohort tuition will resume. Student Services Fee will be pegged to that and this committee would weigh in at the appropriate time.

5. Committee membership: Serve for 2 years and opportunity to renew for another 2 years without application process. At large process started last year. When does the group want to run the recruitment and anything in the application you might want to change? Most liked the process last year, and the committee asked good questions. Freshman can apply in the fall. Feedback: fall is so busy and spring can offer more opportunity and less competition with other things. Catch people before they get busier. Some lack of clarity what the committee does. Staying with fall. How were prospective applicants notified? ASUCI/AGS sent out on committee’s behalf. Connor will let himself know that they need to coordinate since he was elected AGS President. Congratulations! Next business is to coordinate/nominate Chair and Vice Chair. Anyone interested or anyone want to nominate? Sarah Alkhatib nominated herself for Vice Chair. Nomination also received for Andrew Hallak. We will come back to elections at the end.

6. ETIAC: Electronic Technology Initiative Advisory Committee (Technology in the classroom). We need one returning student to serve and make sure there is a backup. Meet once a quarter approximately. They look at budget requests also. Schools submit requests for technology support. Andrew Hallak is willing to serve.

7. We will go through list and then vote for final recommendations:
   a. Dream Center indicated they could use temporary funds.
   b. OVPTL did not received the grant they thought they would get.
   c. Any changes anybody would like to propose?
i. Motion for PAA to make it temporary to encourage the Provost to re-start that effort. No objections. Approved.

d. Any other amendments? Chair read through the list as approved and settled on at meeting 4/9/21. No objections. Read list again to re-confirm vote. Unanimously approved.

e. Connor and Sarah will write the report for the Provost and solicit feedback when their first pass is complete.

8. Back to the Chair and Vice Chair Nominations. Andrew Hallak and Sarah Alkhatib are both running for Chair. Andrew Hallak: undergraduate at UCI, staff, and graduate student. Interested in international students. Sarah Alkhatib: Undergraduate at UCI. Also an International student. Questions? What are priorities for return to campus? Sarah Alkhatib: counseling center, student center, interconnectedness of students, student-facing organizations. Andrew: campus community, Student Life & Leadership. No other questions. Six votes for Andrew and two votes for Sarah. Vice Chair: Sarah nominated herself. Elected by acclamation.

9. No further questions.

10. Meeting adjourned.
